The “Nuts and Bolts” of What’s Happening at RT of DC

2nd Annual Green Hammer Award Recipient Announced

It is with great pleasure that Rebuilding Together of Washington, DC announces that HSBC is the recipient of our 2nd Annual Green Hammer Award.

The Green Hammer award was established, in conjunction with the Stone and Holt Weeks Foundation, to honor the memories and spirits of brothers Stone and Holt Weeks, who were tragically killed in a car accident in the summer of 2009. The award is given to a volunteer or organization that has embodied RTDC’s mission of “going green” while giving free home repairs to low-income homeowners. Stone and Holt were humanitarians, activists, and idealists, who were dedicated to the forwarding of environmental issues.

The award will be presented on Thursday, March 17th, 2011 at 6:30pm in the Great Hall at St. Columba’s Church, Street, NW, Washington, DC 20016. This presentation will be made during our annual meeting of House Captains, who act as the main coordinators of all the Rebuilding activities conducted by RTDC each year. They are our most dedicated volunteers. We hope that the presentation of this award in their midst motivates them to incorporate ‘greening’ repairs and modifications into their projects so that Stone and Holt’s visions are advanced.

RTDC’s goal in advocating greening techniques being incorporated into their home repair projects is intended to provide safeguards to the environment and reduce homeownership costs to the low income homeowners we serve— all in memory of Stone and Holt Weeks.

Accepting the Award on behalf of HSBC will be Aimee Daniels, EVP Regional President and volunteer who served on the team, Tom Higgins, who served as HSBC’s House Captain on their project, and Wa’il Ashshowwaf and Peter Schatz, HSBC employees who served on the team. The award will be presented by Jan and Linton Weeks, Stone and Holt’s parents, and Janice T. Stango, Executive Director of Rebuilding Together of Washington, DC.

For more information, Contact Janice T. Stango at (202) 965-2824.

Our Mission

Since 1983, Rebuilding Together of Washington, DC (formerly Christmas in April) has been working to revitalize low-income homes and communities in our nation’s capital. With the generous support of house sponsors, volunteers, and donors, we make free home repairs for low-income DC homeowners who are elderly, disabled, and/or caring for young children in seriously deteriorating conditions. The repairs enable them to stay in their homes, where they live in warmth and safety with independence and dignity.

Holt and Stone Weeks, 2009 Humanitarians, Activists, Idealists
